INVITATION

The Organising Committee of the 21st International Glycoconjugate Symposium cordially invites all persons interested in any field of Glycoconjugates and Glycobiology to participate in Glyco 21 to be held in Vienna, Austria, August 21-26, 2011.

SCIENTIFIC PROGRAM

The scientific program will include Plenary Lectures, Invited Lectures and Contributed Papers. The meeting will cover eight main general topics in the following categories (in alphabetical order):

- Biosynthesis & Metabolism of Glycoconjugates
- Carbohydrate-related diseases
- Cell biology
- Development & Differentiation
- Glycobiotechnology
- Infection & Immunity
- Physiology & Signalling
- Structural & Chemical Glycobiology and Glycomics

There is an open invitation to organise workshops during the course of the conference as well as satellite symposia.

PLENARY LECTURERS (so far confirmed)

A. Varki (San Diego, USA), P. Stanley (New York, USA), H. Narimatsu (Tsukuba, Japan), F. Platt (Oxford, UK), M. Yazdanbakhsh (Leiden, The Netherlands), T. Kinoshita (Osaka, Japan), J. Hodgkin (Oxford, UK), M. Novotny (Indiana, USA), C. Raetz (North Carolina, USA), C.-H. Wong (Taipei, Taiwan), P. Dupree (Cambridge, UK), M. Aebi (Zürich, Switzerland)

CONFERENCE VENUE

The conference will be hosted by the University of Vienna located in the city centre of Vienna.

The venue is easily accessible by public transport.

TRAVEL

Vienna can be reached by air, bus, car and train. Vienna airport serves frequent connections to all major European cities. There are also bus connections from Bratislava Airport (50 km). Star Alliance is the official carrier of the meeting and offers special discounts. A personal letter will be sent to any scientist requiring an invitation for visa purposes or funding applications.

ACCOMMODATION

Special conference rates for various hotel categories in hotels close to the conference site are available.

In addition, low budget accommodation for students will be offered.

SOCIAL EVENTS

The social programme will include a Get-Together Party, the Symposium Reception, a concert in the Votiv Church, and the Symposium Banquet, together with excursions and a special programme for accompanying persons.
